

COMPLAINTS PROCEDURE

South Molton Town Council's Complaints Procedure is reviewed by the Council annually. It was last approved on 20th April 2017.

1. Introduction

Complaints received from members of the public about the administration or procedures of South Molton Town Council are not subject to the jurisdiction of the Local Government Ombudsman. However, for the sake of transparency in local government and for the benefit of good local administration, South Molton Town Council has adopted a formal procedure for considering complaints.

It is essential that complaints are dealt with positively. The Town Council is anxious to hear people's comments and is committed to making full use of complaints information to contribute to continuous service improvement

The Town Council's Complaints Policy applies to the following three types of complaint:

- 1.1.Complaints about a Town Council service or function
- 1.2.Complaints about a member of staff
- 1.3.Complaints about a Town Councillor

2. Definition of a complaint

A complaint is any expression of dissatisfaction, however made, about the standard of service, action or lack of action by the Town Council, its elected members or staff, which affects an individual customer or group of customers.

What the Complaints Procedure will deal with:

- Neglect or unjustified delay
- Malice, bias, or unfair discrimination
- Failure to provide advice or information when reasonably requested
- Providing misleading or inaccurate advice

What the complaints procedure will not deal with:

- Where legal proceedings already exist.
- Complaints about employment matters these will be dealt with by the Town Council's internal grievance procedure.
- Complaints about an incident or matter which took place longer than 12 months ago.

3. Equal Opportunities

The Town Council is committed to equal opportunities. Complaints/feedback will be

used to highlight discriminatory practices, and to promote equality of opportunity.

Complaints by members of the public of discrimination and/or harassment against the Town Council may be dealt with through the complaints procedure unless it is a complaint that should be dealt with through a statutory procedure.

4. Stages of the Procedure

The Stages of the procedure are designed to provide the complainant with a thorough and fair means of redress and to provide a framework for officers to work within. However, there may be occasions when a complainant makes an approach in a different manner and it is important that the procedure does not in itself become a barrier to effective communication.

5. Informal Complaints

During the course of daily business, minor complaints are made to staff and Cllrs regarding the service we provide. The appropriate officer or Town Clerk will usually deal with these. It is not appropriate for every comment received to be treated as a formal complaint. Every effort should be made to deal with these problems immediately, either by providing information, instigating the appropriate action or explaining a decision.

6. Procedure to follow for Handling Formal

Complaints Stage

1

A complainant may notify a complaint to a Councillor or the Proper Officer of the Council (Town Clerk). This must be in writing.

If the complainant remains unsatisfied with the response they shall be requested to put his/her complaint in writing to the Proper Officer of the Council. An acknowledgement will be sent within two working days

If a complainant indicates that he/she would prefer not to put the complaint to the Proper Officer of the Council then he/she should be advised to put it to the Chairman of the Council (The Mayor). An acknowledgement will be sent within two working days.

Stage 2

The Proper Officer of the Council or the Chairman of the Council, shall try to settle the complaint directly with the complainant within 14 working days of receipt of complaint, but shall not do so without notifying the person complained of and giving him/her an opportunity to comment on the manner in which it is intended to attempt to settle the complaint.

If the investigation of the complaint is likely to take more than 14 working days, the complainant will be notified together with a reason for the extended investigation period.

Where the Proper Officer to the Council receives a written complaint about his/her own actions, he/she shall immediately refer the complaint to the Mayor as Chairman of the Council.

Stage 3

The formal response to the complaint must also advise the complainant that, if having received a full response to the complaint, the issue remains unresolved, the complainant has the right to request, within 28 working days, that the matter should be referred to

- a) The Staff Committee in the case of a member of staff.

b) The Mayor and two other councillors for all other issues.

Stage 4

A decision made by (a), (b) shall be considered final and the complaint will be considered closed.

If the complainant does not respond within 28 working days, the complaint may be considered closed.

If the Complainant responds and requests the matter to be referred to the relevant committee, the Staff Committee, or the Mayor, as detailed above, the Proper Officer of the Council shall consider whether the circumstances attending any complaint warrant the matter being discussed in the absence of the press and the public. If the matter is such that the Town Council or the Proper Officer believes that the matter may lead to a disciplinary hearing then the matter must be heard with the press and public excluded.

If the complaint is against any employee, even if the matter is being dealt with initially out of the context of the formal disciplinary hearing, then the employee is entitled to have a representative. The matter before the Council in this case will be to establish whether there is a factual basis to the complaint and the action that should then be taken. The proceedings at this stage cannot be a formal disciplinary hearing, which must be convened on a separate occasion in the proper manner.

If the complaint is against any elected member the complaint shall be taken directly to the monitoring officer.

Stage 5

The Complainant will be notified, in writing, of the final decision within 14 working days of the meeting.

7. Unreasonable and Vexatious Complaints

In the event of serial facetious, vexatious or malicious complaints from a member of the public the council will consider taking legal advice before writing any letters to the complainant. If new evidence is provided it will be evaluated in case the subject matter is sufficiently different from any previous facetious, vexatious or malicious complaint as to justify consideration as a new complaint.

8. Anonymous Complaints

Anonymous complaints should be referred to the Proper Officer of the Council, and may be acted on at his/her discretion, according to the type and seriousness of the allegation.
